MEMORANDUM FOR COMMANDERS, 1ST ARMORED DIVISION

SUBJECT: 1AD Summer Safety Campaign

1. References: see Enclosure 1.
2. Purpose: Implement the CG USAREUR's Summer Safety Campaign Plan for the 1st Armored Division units during its Reintegration and Reconstitution phases in Central Region.
3. General:
 - a. Since the USAREUR Summer Safety Campaign requirements occur during the Division's redeployment and reintegration phases, Rear Detachment Commanders will be primarily responsible for providing the required training and orientations.
 - b. Forward commanders will incorporate appropriate aspects of the USAREUR Summer Safety Campaign Plan into their ongoing redeployment and reintegration planning.
4. Forward Commanders will:
 - a. Review the 1AD Summer Safety Campaign CD-ROM located on the SIPR Web Site under G1/Safety.
 - b. Issue instructions to Rear Detachment Commanders to implement the provisions of this guidance.
 - c. Conduct OPD/NCODP instruction in Summer and Reconstitution Safety within four weeks of completing unit block leave.
 - d. Ensure that first-line leader risk-assessment and risk-mitigation assistance is available to soldiers planning off-duty activities.
 - e. Provide the Commanding General a review/summary of the unit's Summer Safety Campaign during the first 30 days following the end of block leave.
5. Rear Detachment Commanders will:
 - a. Ensure unit-sponsored reintegration periods include the following Summer Safety Awareness Training topics:
 - (1) Heat Injury Prevention
 - (2) Water Safety
 - (3) Recreational Safety
 - (4) Sports Safety
 - (5) Driving in Europe
 - (6) POV Safety
 - (7) Outdoor Safety

AETV-THZ-DS

SUBJECT: 1AD Summer Safety Campaign

- b. Ensure motorcyclists returning to Central Region do not ride their motorcycle until they have completed the USAREUR Motorcycle Driver's Refresher Course. This must be completed prior to 15 May 2004.
- c. Ensure that all POV's undergo a vehicle safety inspection prior to commencing block leave.
- d. Conduct Refresher Risk Management Training (FM 100-14 Risk Management) within 30 days of completing block leave.
- e. Complete Summer Safety Risk Assessments for review/approval by their Forward Commander NLT 30 May 2004.
- f. Ensure that the registration and licenses, for POV's, which were stored, are validated prior to commencing block leave.
- g. Review the 1AD Accident Statistics at Encl 2.

6. Tasks to Command/Staff:

a. 1 AD Rear Detachment Commander:

- (1) Provide guidance and oversight to unit RDC efforts.
- (2) Monitor compliance by unit RDC's.
- (3) Ensure all RDC's receive the 1AD Summer Safety Campaign CDROM.

b. G1/Safety (Rear):

- (1) Provide training materials for RDCs to use during Summer Safety Training Orientations.
- (2) Attend/assess unit-sponsored summer safety training sessions during the reintegration phase.

c. G3 (Rear): Monitor compliance with this training directive.

7. Coordinating Instructions:

a. See the following web sites for useful training materials:

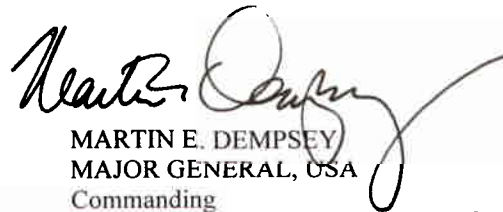

- (1) <http://www.1ad.army.mil/staff/safety>
- (2) <http://per.hqusareur.army.mil/services/safetydivision/main.html>
- (3) <http://safety.army.mil/home.html>
- (4) <http://www.vcorps.army.mil/safety>

b. RDC's are not authorized to extend any of the seven and one-half day training cycles. RDC's may only use the time granted by the USAREUR/BSB Reintegration Model, for training.

8. Proponent is James R. Brouillette, Division Safety Manager, DNVT: 551-9523, e-mail: james.brouillette@us.army.mil.
